### ONE+ HP Brushless 38cm Line Trimmer

The new ONE+ HP Brushless 38cm Line Trimmer is RYOBI's largest 18V line trimmer topping the range with a large 38cm cutting width. This allows quick and effortless trimming of larger areas. It's 18V premium brushless motor not only delivers extended runtime but also delivers superior cutting performance to tackle even the toughest trimming jobs.

### Design

An all-metal boom is designed to be durable and long lasting giving the user confidence to tackle tough trimming jobs. However, the design and weight are well balanced throughout the line trimmer making it easy and comfortable for the user to use for prolonged times. Partnered with two speed settings and a variable speed trigger, the user has optimum control between power, runtime and the cutting application.

### WHISPER Series

The ONE+ HP Brushless 38cm Line Trimmer is the latest addition to Ryobi's WHISPER series, which means it is designed for quieter operation without compromising performance.
