Article Number	5133005744

Model Number	RYSP21A
Power	21W
USB-Ports	2 x USB-A
Article Number	5133005745

RYOBI® has launched an exciting new range of solar panels. So, you can stay powered wherever you are! With three different sizes of solar panel, 14W, 21W and 60W RYOBI® has the renewable power output option catered to your needs.

RYSP14A and RYSP21A

You don't want to be caught out in the middle of a hike with no phone battery! Luckily, both solar panels come with a handy hanging loop, perfect for hanging onto the back of your backpack for power on-the-move! This is also great for hanging on trees and tents when camping to catch the sun's rays.

The 14W and 21W are designed to fold down neatly to fit into your backpack. So, whether you're hiking, having a day at the beach or camping with limited storage you can be sure to have enough room to carry your portable power.

The solar panels come with USB-A outlets. Perfect for charging and supplying power to small devices and electronics.

The easy-to-read LED power indicator lets you know when sunlight is sufficient and the panels are ready to use.

RYSP60A

The 60W panel solar charger is the largest in RYOBI's range. Capable of folding in half to a slim design and thanks to the carry handle, this product is perfect for when your outdoor adventures need a power boost!

RYOBI®

This product comes with a 60W barrel plug output, great for charging larger devices such as laptops. It also comes with USB-C and USB-A port, as well as a LED power indicator.

Charge Your RYOBI® Batteries For Renewable and Storable Power

Connect your solar panel to RYOBI's ONE+ Inverter (RY18BI150B), and charge your batteries with the power of the sun! Store the energy in the battery and use on any of your ONE+ products – never run out of power again!

Why RYOBI?

RYOBI is a market leader in the cordless DIY, garden and lifestyle products world-wide.

RYOBI® tools are built to last and come at a competitive price and are protected by a three-year warranty for further peace of mind.

Model Number	RYSP60A

ABOUT US

RYOBI® power tools are backed by the RYOBI® 3-year warranty.

*Registration required for extension from 2 to 3 years for battery powered and electric tools. Please visit our website www.ryobitools.eu within 30 days of purchase for detailed information about warranty conditions and extension registration. This warranty is valid in the European Community, Switzerland, Iceland, Norway, Liechtenstein, Turkey and Russia.

Outside these areas, please contact your authorised RYOBI dealer to determine if another warranty applies. Warranty extension from 2 to 3 years excludes petrol tools. Standard 2-year warranty still applies to all petrol tools.
