The NEW 18V Brushless 15cm Pruning Saw provides fast and smooth cuts when working in your garden.

RY18PSX15A-0

Pruning Saws Applications

The 18V Brushless ONE+ HP 15cm Pruning Saw is perfect for pruning small sized branches in your garden. In addition, it is also ideal for cutting up garden waste ready for it to be disposed.

Brushless Motor

The Pruning Saws powerful brushless motors provides high torque resulting in consistent fast smooth cuts and zero stalling whilst cutting. This will help the user get the job done quicker and with minimal effort. The user will benefit from the increased runtime due to the brushless motor making the Pruning Saw more efficient.

LED Overload System

An overload LED traffic light system alerts the user if they are applying the correct amount of force onto the saw whilst in action. This stops the user from applying too much pressure reducing the risk of damage to the tool and stopping unsmooth cuts.

Power	18V
Motor Type	Brushless
Bar Size	15cm
Chain Speed	6m/s
Tensioning	Tool-less

ONE+™ HP

RYOBI®

Pruning Saw Safety

The 15cm Pruning Saw has been designed with the user's safety in mind. It features a two-stage trigger to avoid accidental activation when handling the saw. Other safety features included is the shielding hand guard that protects the trigger hand and a bar cover that sits on top of the bar and chain protecting the users second hand.

Lightweight Design

Weighing just over 1kg, the lightweight design increases the user's manoeuvrability of the saw giving them greater control when pruning. This also reduces fatigue allowing the user to prune for prolonged periods.

Pruning With Ease

Changing the bar or tightening the chain can be quickly adjusted without any tools with the tool-less chain tensioning system. Included with the pruning saw is a pipette oil bottle so the user can apply oil directly onto the bar and chain to ensure the chain runs smooths. These features allow for quick effortless maintenance so you can pick up your Pruning Saw and go.

Why RYOBI?

As the latest addition to the ONE+™ HP range, the new 18V Brushless Pruning Saw can be powered by any ONE+™ battery! You can switch one battery between a staggering range of over 200 tools, covering all your DIY, garden and automotive needs.

ONE+™ has been powering a range of garden and power tools since 1996: that's 25 years of ONE+™ innovation in one system of tools. That's why the ONE+ system is a market leader in the cordless DIY market world-wide.

RYOBI® tools are built to last and come at a competitive price and are protected by a three-year warranty for further peace of mind.

ABOUT US

RYOBI® power tools are backed by the RYOBI® 3-year warranty.

*Registration required for extension from 2 to 3 years for battery powered and electric tools. Please visit our website www.ryobitools.eu within 30 days of purchase for detailed information about warranty conditions and extension registration. This warranty is valid in the European Community, Switzerland, Iceland, Norway, Liechtenstein, Turkey and Russia.

Outside these areas, please contact your authorised RYOBI dealer to determine if another warranty applies. Warranty extension from 2 to 3 years excludes petrol tools. Standard 2-year warranty still applies to all petrol tools.
